Does BidGlobal offer jewelry insurance?

We highly recommend protecting your jewelry with a jewelry insurance policy. Jewelers Mutual – the only company specializing in jewelry insurance for 110 years – offers comprehensive insurance coverage to protect, repair or replace your jewelry.

What are the advantages to having jewelry insurance?

- Coverage that often goes beyond standard homeowners/renters insurance and added riders.
- Protection that follows your worldwide travels and covers against loss, theft, damage, mysterious disappearance, and floods and earthquakes.
- Flexibility to choose your own jeweler; no need for multiple quotes.
- Keeping jewelry out of your homeowners/renters policy protects your home insurance from the effects of a jewelry claim.
- Repair or replacement of the same kind and quality as your original piece.
- Fast, professional and compassionate claim experience from experts in the jewelry industry.
